

Design by Ram Hillel

## Copier Station #32198000

This station, with its impressive design, can be used with small and medium copier machines now on the market.

### The station features:

- An upper surface made of HPL or MDF to support the copier.
- Storage drawers for paper, cardboard, films, toner, office accessories etc. Locking of drawers is optional.
- The station height allows work while standing, but a design for a sitting position can be requested.
- An efficient cable management solution.

The station, made of quality materials, is very stable and can be stationary or mobile. It is a product aimed at a comfortable, efficient and pleasant work environment.
