Office Machinery

Fax Station #32188000

A station with a modern design which can be used for a wide range of office machinery in the office.

The station features:

- An upper surface made of HPL or MDF for better supporting of the machine.
- Storage drawers for mail or for storing paper and office accessories. Locking of drawers is optional.
- Efficient cable management

Design by Ram Hillel

The station, made of quality materials, is very stable and can be stationary or mobile according to need. The product is designed for a comfortable, efficient and pleasant office environment.
