THREADLOCK

General Information

Piping systems for domestic hot and cold waste water

Piping and accessories for hot and cold domestic wastewater of diameters from 32 mm. to 50 mm., traps, collectors, exposed [above ground] traps, siphons bathtub drainage systems with threaded connections to the entire domestic drainage system

Raw materials:

Polypropylene (P.P)

Color:

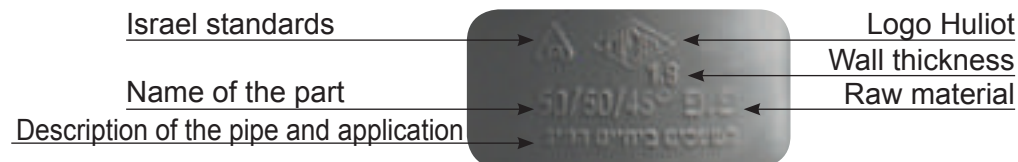

RAL 7037 grey and white

Sealing:

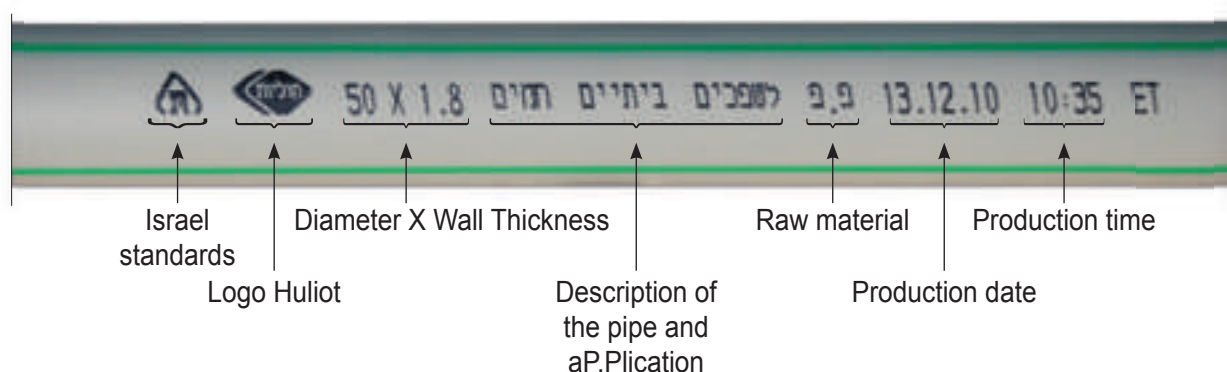

Accessories with a threaded head and sealing with various seals.
All the seals are made of SBR-NR or EPDM elastomer rubber.

Sign:

■ Accessories:

■ The pipe has 4 green stripes

THREADLOCK

Advantages:

- Simple, easy and convenient installation - no tools required
- Resistant to temperatures up to 95°
- Good resistance to chemicals
- Can be painted with acrylic paints

Standard:

These Huliote systems are produced in accordance with, and certified to, Israeli Standards 958 in their entirety 1119, 1682, 5694.
